Subject: letter on Bristol Bay assessment

Phil - I am glad BLM had the opportunity to learn more about the assessment earlier this week. We can't locate the letter EPA sent to BLM requesting our involvement in the Bristol Bay assessment. Our State Director is out of the office this week, and it's possible that he has it in his office, but we're not sure.

Can you please send me a copy of the letter?

Thank you - we look forward to working with you! I have some notes that I intend to write up and send you next week.
